[REDACTED]

1. [REDACTED] 20 December 1950, refers to procurement by negotiation under certain enumerated circumstances. Some are automatic in their application, whereas others require a finding or determination by specified officials.

2. It would appear that the attached file and related documents contemplate a specific finding or determination by the Contracting Officer, without any specific reference being made however.

3. Therefore, the contract is returned approved, subject to the following comments: (a) particularize the finding or determination by reference to the applicable provision of [REDACTED] and (b) the finding or determination should be made by an authorized Contracting Officer signing in such capacity.
